**Day 1**

Welcome to Saint Petersburg!

Let's explore the beauty of "Northern Venice". During the tour you will see such famous sights as: The Peter and Paul Fortress, Vasilevskiy Island, St Isaac's Cathedral, Kazan Cathedral, The Church of Our Savior on Blood.

**Day 2**

Morning flight to Murmansk

Sightseeing tour in Murmansk

You will observe the city center, Alyosha war memorial, Lighthouse memorial and the Church of the Saviour on the Waters. Continue with a visit to NS "Lenin", the world's first nuclear-powered icebreaker, now a museum.

Night Northern light watching\*

**Day 3**

Tour to Khibiny mountains

We will visit two cities at the root of mountains : Apatity and Kirovsk, and along the western sides of the Khibiny you can see beautiful lake Imandra. Once you get here you will have a chance to enjoy the majestic mountain sceneries and visit the Mineralogy Museum that has a unique collection of minerals from all over the world.

Back to Murmansk

Night Northern light watching\*

### Day 3

110 km from Murmansk, between Olenegorsk and Lovozero village there is Sami village called "Sam Syt". It is an open-air ethnographic museum. Here you can learn everything about the traditional way of Sami life. You will try real Sami cuisine, feed the reindeers, ride the reindeers sledges.

#### Transfer to Husky Park

To get to the Husky park you'll ride in sleigh pulled by snowmobile through the real winter forest. There you are welcomed with hot tea and traditional cakes. You will communicate with amazing dogs - Siberian huskies, ride reindeer sleigh, snowshoeing, take a snowmobile ride led by an instructor and learn many new and interesting things about the lifestyle and traditions of the people living in Arctic regions. After dinner near the fire in a traditional tent, you'll go back to Murmansk.

#### Night Northern light watching\*

### Day 5

Back to St. Petersburg

Flight back home

\* Northern light watching is proceeded only one night depending on the weather
